DESCRIPTION

Set within an exclusive and highly regarded development, this impressive home occupies a generous plot of around a third of an acre, offering a rare combination of substantial accommodation, excellent entertaining space and a wonderful degree of privacy. With a garden that is not overlooked, an integral double garage and a detached outbuilding, there is plenty here to appeal to families looking for a home that can adapt to modern life.

The sense of space begins in the impressive entrance hall, where a double-height ceiling and galleried landing create a striking first impression. From here, the accommodation flows naturally into two large reception rooms, with a comfortable lounge providing a relaxed everyday space and a formal dining room offering the perfect setting for family meals and entertaining.

At the heart of the home is the particularly impressive open-plan kitchen/breakfast/family room. Generously proportioned and designed around family living, this is a space that lends itself equally well to busy mornings, relaxed evenings and gatherings with friends. A separate utility room and ground floor W.C. add further practicality.

Upstairs, the accommodation continues in equally generous fashion, with five bedrooms in total. Two benefit from their own en-suite facilities, while the remaining bedrooms are served by the family bathroom. The galleried landing adds to the feeling of space and gives the first floor a particularly impressive finish.

Outside, the property really comes into its own. The sizeable rear garden provides an excellent degree of privacy and is not overlooked, with a large patio area creating a natural spot for outdoor dining and entertaining. The detached outbuilding provides valuable additional space, whether required for storage, hobbies, working from home or a dedicated leisure area. To the front, the integral double garage and driveway provide ample parking.

Combining an enviable plot, substantial and versatile accommodation with the privacy that is increasingly difficult to find, this is a home that offers considerably more than its impressive proportions suggest. The exclusive setting and generous outdoor space complete what is an exceptionally appealing family property.
