Robinsons are delighted to offer to the sales market this beautifully presented and significantly improved four-bedroom detached home, ideally suited to modern family living. The property benefits from generous enclosed gardens, a double-length driveway and garage, together with spacious and versatile accommodation arranged over three floors.

The current owners have undertaken a number of thoughtful improvements, including the conversion of the attic to create an impressive fourth double bedroom, providing ample space for both sleeping and seating furniture. The main bathroom has also been enlarged and now benefits from a superb four-piece bathroom. The property is warmed via a Worcester Bosch gas central heating system and benefits from UPVC double glazing throughout.

The internal accommodation comprises a welcoming entrance hallway with built-in storage and ample space for coats and boots. An inner hallway provides access to the staircase leading to the first-floor landing, together with an understairs WC and additional storage.

The lounge is a comfortable reception room with French doors opening directly onto the rear garden. A particular highlight of the home is the impressive open-plan kitchen/dining room, which also provides additional seating space, creating an excellent area for both family life and entertaining. The kitchen is extensively fitted with a range of wall, base and drawer units, incorporating a double oven and electric hob, with space for a washing machine and fridge/freezer.

To the first floor are three well-proportioned bedrooms, two of which are generous doubles. Both benefit from built-in wardrobes/storage, while the principal bedroom has a en-suite shower room. The family bathroom is another excellent addition, fitted with a four-piece suite including a freestanding bath, separate shower enclosure, wash hand basin and WC.

Internal accommodation continued

A further staircase leads to the second floor, where the impressive fourth bedroom can be found. This generous double bedroom features Velux-style windows and useful storage within the eaves.

Outside

Externally, the property occupies a generous plot with beautifully maintained enclosed gardens surrounding the house. The rear and side gardens are predominantly laid to lawn with well-stocked and maintained flower beds, together with a patio area ideal for outdoor seating. There is also a timber-built outbuilding currently used as a gym, although this would be suitable for a variety of alternative uses, along with a further timber summer house overlooking the garden. Additional storage space is available to the side of the property, providing an ideal location for a garden shed. Beyond the garden is a double-length driveway providing ample off-road parking and leading to the single garage.

Location

Jubilee Street is situated within the pleasant village of Toronto, conveniently positioned between Crook and Bishop Auckland. The surrounding area offers an abundance of attractive countryside, scenic views and walking routes, while both Crook and Bishop Auckland provide a comprehensive range of shopping and leisure amenities, healthcare facilities and primary and secondary schooling. The location therefore offers an excellent combination of village living with convenient access to nearby towns and their wider amenities.
