FOUR DOUBLE BEDROOMS, A STUNNING REFURBISHMENT AND COUNTRYSIDE VIEWS… THIS ONE REALLY DOES HAVE IT ALL!

Some homes just have that something special… and this beautifully refurbished four bedroom semi-detached home in the heart of picturesque Horndon-on-the-Hill certainly knows how to make a first impression!

Lovingly transformed by the current owners, this is a home where the hard work has already been done, the finishing touches are fabulous, and the only thing missing is you.

Step inside and you'll immediately appreciate the attention to detail. Gorgeous Amtico herringbone flooring flows throughout the ground floor, setting the tone for the stylish interiors beyond. The wonderfully bright and spacious lounge/diner is a real showstopper, complete with on-trend acoustic wood panelling and air conditioning — because looking cool and keeping cool should always go hand in hand!

The modern kitchen offers a sleek and practical space for everyday family life, while the recently installed downstairs WC is one of those little luxuries you'll wonder how you ever lived without.

Head upstairs and there's certainly no fighting over who gets the box room here! Four genuine double bedrooms provide plenty of space for the whole family, while the stunning family bathroom, newly fitted in September 2026, brings a touch of boutique hotel luxury to your everyday routine.

And just when you thought it couldn't get any better, step outside…

The generously sized rear garden backs directly onto open fields, serving up glorious countryside views and a wonderfully peaceful backdrop. Morning coffees, summer barbecues or simply sitting back and enjoying the scenery — this is outdoor living at its finest. And the best part? The neighbours at the back are considerably less likely to complain about your choice of garden furniture!

To the front, there's driveway parking, an EV charging point and a garage, ticking those all-important practical boxes. A new heating system and boiler installed in 2025 add even more appeal — because peace of mind never goes out of style.

And then there's the location…

Nestled in the highly desirable village of Horndon-on-the-Hill, with its charming character, picturesque surroundings and wonderful community feel, this is village living at its very best. The sought-after Horndon-on-the-Hill Church of England Primary School is also conveniently located nearby, making this a particularly appealing choice for families.

Four double bedrooms. Beautiful interiors. Countryside views. A gorgeous village location.

Some properties tick the boxes. This one brings its own pen.
