SITUATION

The land part Kendon Farm lies in an accessible part of north Devon, near to the north / mid Devon border and with very easy access to the A361 (North Devon Link Road) at Stonelands Cross 2.8 miles away.

The village of Rackenford lies 2.5 miles to the north and the smaller settlement of Nomansland lies one mile to the south.

The market towns of Tiverton (9 miles) and South Molton (15 miles) are nearby and the A361 (North Devon Link Road) provides a direct link to the M5 motorway at Junction 27.

INTRODUCTION

The land currently forms part of Kendon Farm, extends in total to approximately 111.25 acres (45.00 hectares) and lies at between 175m and 220m above sea level.

There are three separate blocks which are used for growing cereal and forage crops as well as grass silage production and grazing. The soils on all three blocks are described as slowly permeable seasonally wet acid loamy and clayey soils and are all within a Nitrate Vulnerable Zone (NVZ).

LOT 1: Newland Manor - GUIDE PRICE £290,000.

LOT 1 totals approximately 33.97 acres (13.74 hectares) and comprises two grass fields, one which is gently sloping and east-facing and the other sloping and facing north-east. In addition there is a small copse of deciduous trees on the eastern boundary and this lot has direct access to a public highway.

LOT 2: Dart - GUIDE PRICE £255,000.

LOT 2 totals approximately 29.97 acres (12.12 hectares) and includes four south-facing fields which have been used to grow grass and maize. These fields run down to the Little Dart River which flows along the southern boundary and there is direct access to a public highway which forms the northern boundary.

LOT 3: Piley - GUIDE PRICE £400,000.

LOT 3 totals approximately 47.31 acres (19.14 hectares) and is an attractive run of south-facing grass land with access via Piley Lane (a stone track). There are seven enclosures and the land is used for mowing and grazing with the Little Dart River flowing along the southern boundary.

SERVICES

There are no mains services connected. LOTS 2 and 3 have direct access to the Little Dart River. There is a spring which rises on the north-east boundary of LOT 1.
