- Kitchen re fitted with many upgrades including granite worktops
- Utility room with deep storage and side door access
- Superbly landscaped garden with seating areas and well thought planting.
- 4 years remainder of the 10 year NHBC warranty

A beautifully upgraded and stunningly presented 4 bedroom home located in a quiet crescent of homes just off Semington Road. This "Walton" design for Bellway homes was incredibly popular due to it's spacious rooms and lovely flow of space suitable for families or couples. This particular location offers a landscaped garden which provides space for kids, relaxing or gardening. It really is a show stopper inside and outside and is close to local dog walks, the bus stop, a village hall and local schools. A real treat and must be viewed to fully appreciate the high specification finish.
