The Area

Tatlisu, translated means “sweet water”, is situated on the north coast, the scenery is magnificent and the views of the mountains and sea are quite breathtaking. From Tatlisu you can see along the north coast back to Kyrenia and forward in the distance to the great long stretch of the Karpaz peninsula.

The drive from Tatlisu through Kaplica and on towards the Karpaz has to be one of the best on the island and now with the new road opened the journey time to Bafra and the Karpaz has been reduced considerably. The village itself is set in the foothills of the mountains and Tatlisu can boast some of the nicest beaches along the north coast. The area is ideal for exploring and walking.
