INTRODUCTION - INSIDE NO. 9!

An attractive four bedroom, three bathroom detached house dating from the early 1900's with later single and two storey extensions, sited on a large 0.6 acre plot with mature gardens and established trees, triple detached garage and plentiful parking. This impressive property is approximately 100 years old and exudes many period features. The current owners bought the property in 1985 and have, over the years, extended and improved the house together with designing and maintaining the lovely mature gardens which surround the property to all sides.

With approximately 2,000 sq ft of living accommodation, this home offers plentiful, flexible accommodation with an attractive long frontage to New Village Road, a private cul-de-sac.

The accommodation is depicted on the attached floorplan and briefly comprises two formal reception rooms with bay windows, dining kitchen which itself is open plan through to the stunning living room, which overlooks the gardens. There is a large entrance lobby accessed from the side drive together with a utility room and downstairs shower room. Upon the first floor are four bedrooms served by an en-suite to bed one and a further house bathroom.

The property enjoys a gated driveway, excellent parking and a triple garage complex which also offers a separate room that could be utilised for a variety of purposes.

OUTSIDE

The property sits in a large, mature garden with lawns, flower borders, trees, patio spaces and a raised vegetable bed. There is a vegetable and fruit garden accessed via paved walkway which also leads to an alloy glasshouse with quarry tiled floor. The overall plot extends to 0.6 acre.

The combination of trees and shrubs provides a good habitat for many garden birds including blue tits, long tailed tits, greenfinches, goldfinches, wrens, robins and the occasional woodpecker. The current owners leave the grass in the orchard to grow long through the spring and summer which encourages bio-diversity of insects and small mammals, so much so that a barn owl can be seen perched on a branch of the larch tree from time to time, looking for mice and voles. To the side of the house is a gated driveway providing parking for several cars and leading to the triple garage in a single brick and tile building.
