This substantial modern townhouse is one of just three homes in an exclusive 2007 development, offering approx. 2,700 sq ft of versatile accommodation over four floors. Finished to a high standard throughout, the property enjoys increasingly impressive elevated views from the front as you ascend the house.

The ground floor features an integral double garage with light, power, and remote door, a linen room, large laundry room with storage and additional worktop space, cloakroom/WC, and a versatile fifth bedroom with access to the enclosed courtyard garden - also ideal as a home office, cinema, or potential self-contained living space (subject to consents). On the first floor, a welcoming entrance hall with stone flooring leads to a spacious open-plan kitchen/breakfast room with granite worktops, integrated appliances, island, and breakfast bar, plus sliding doors to the often-sunny rear garden. A separate front dining room provides additional flexible living space.

The second floor offers a nearly 20ft living room with Juliet balconies and far-reaching views towards Bath, a family bathroom with Jacuzzi bath, and two rear double bedrooms overlooking the garden. The top floor comprises two large bedrooms, both with en-suite shower rooms. The principal bedroom benefits from fitted wardrobes, generous proportions (approx. 20ft x 15ft), and stunning views.

Externally, the property enjoys a well-designed setting with an expansive parking forecourt at the front of the development, shared with the two neighbouring homes either side. This area provides two private off-street parking spaces and access to the secure integral double garage.

To the rear, the enclosed garden offers a private and inviting outdoor space, predominantly laid to lawn and benefiting from excellent levels of sunlight throughout the day, particularly in the morning and afternoon. A pleasant patio area is accented with well-stocked raised planting beds that are usually home to a variety of herbs and pretty flowers. Situated directly outside the kitchen, it creates the perfect private spot for outdoor dining and relaxation.

Located in Batheaston, a well-served village east of Bath, the property benefits from local shops, services, schools, recreational facilities, and excellent transport links to Bath, the A46, and M4, offering a balance of village living and connectivity.
