£325,000 FREEHOLD

A three bedroom, end of terrace home presented in excellent order throughout, with adjoining driveway and garage and no chain.

Presented in superb order throughout and retaining its original kitchen and bathroom from the 1980's, this end of terrace house is offered for sale with no ongoing chain. Once inside, the accommodation has gas central heating and double glazing and an entrance hall with cloakroom/WC. An open plan sitting/dining room is dual aspect, with sliding patio doors looking southerly into the rear garden. The separate kitchen is fitted with a range of original units, having space for a cooker, washing machine and fridge/freezer.

Bedrooms one and two are a very good size, both having built in wardrobes with bedroom two enjoying a fine aspect to the rear, over Sidford to Salcombe Hill. There is a third single bedroom and the bathroom is fitted with its original suite and an airing cupboard housing the hot water cylinder.

The house stands on a level plot with lawn garden and well stocked beds to the front. To the rear, a southerly facing garden has patio and lawn and is well enclosed with gated side access. A driveway provides off-road parking for two cars and leads to a single garage with power, light and a wall mounted gas boiler. In addition, the property owns a piece of garden on the opposite side of the road and in line with its boundaries.

Castle Hill View is a pleasant cul de sac, short walking from the centre of Sidford and as such, within easy reach of amenities to include a Spar/Post Office, regular bus services in and out of Sidmouth, a hairdresser and a popular public house. Primary schools, Sidmouth College, Waitrose and Lidl are a short drive away and the town centre and seafront are around two miles where there is a busy High Street with numerous independent shops, High Street chains and popular restaurants. Sidmouth is an unspoilt town on the Jurassic Coast with wide ranging amenities, two beaches and a glorious Regency esplanade.

SERVICES Mains gas, electricity, water and drainage are connected.
