William House is a fabulous, substantial detached family residence, a former public house, dating back to the eighteenth century with later additions and converted to a family dwelling in the 1960s. The property occupies a fine, centre of village location and is set within mature and private gardens and grounds which extend to 0.65 acres and backs onto farmland to the rear. The current owner has resided at the property for many years and has periodically improved the house, yet with great care taken to preserve much of its original integrity whilst blending with all of the modern conveniences of today.

The accommodation comprises an entrance hall with quarry tile flooring to a welcoming reception hall with stairs to first floor accommodation and a cloakroom/WC just off. There is generous dual aspect drawing room with a wood burning stove, which steps up to a formal dining area. There is a further cosy reception room, again with wood burning stove and fitted book-shelving. The open planned kitchen/breakfast/family room is very much the heart of this beautiful home and is fitted with attractive cabinetry, Corian working surfaces with inset double sink unit with mixer tap and bevel drainer, matching preparation island and a range of integrated appliances. These include a four ring induction hob, oven, combination microwave oven, extractor, fridge/freezer and dishwasher and a water softener. Furthermore there is an oil fired two oven Aga.

Upstairs, off the expansive galleried landing, are four double bedrooms plus a luxury refitted en suite shower room and refitted family bathroom, all with Duravit sanitary ware.

Outside there is a generous driveway which leads to a double garage with electric up and over door, power and light connected and an adjoining studio/home office currently utilised, in part, as a utility room. The driveway continues to an additional parking area where there is a recently constructed double fronted cart lodge. The front garden is laid mainly to neat lawn and enclosed by a flint and brick wall. The rear garden is laid to shaped and manicured lawns with well stocked flower and shrub borders and beds, a wide and varied selection of mature trees and bushes, wild life pond, a herb garden, greenhouse, a timber shed and all enjoys maximum privacy whilst overlooking fields.
