Price
£675,000

A highly appointed three-bedroom detached house with outbuildings, informal gardens and paddocks, the whole extending to an area of about 5 acres. Located in a predominately rural setting about 1.25 miles from the village centre and with splendid north and easterly views across rolling countryside towards Chester and the Cheshire Plain.

Hall, Day Lounge, Lounge, Fitted Kitchen & Dining Room, Rear Porch with Cloaks.
First Floor landing, 3 Bedrooms & Luxury Bathroom
Detached Workshop & Stores, Large informal grounds, Kitchen Garden & 2 paddocks.

Mold 6 miles, Wrexham 5 miles, Chester 10 miles.

with underfloor heating to the ground floor, which has greatly reduced running costs to a minimum. In addition, the house has an “Aircyale” air recycling system with vents installed to a number of the rooms to both the ground and first floor.

The house is a light and airy home with the front elevation having an open southerly aspect towards Caergwrle. Whilst the main entrance is to the front, the house is usually approached from the parking area to one side and the rear where there is an outbuilt porch which opens to provide a very useful cloaks area and the plant room for the heating system.

Beyond is an open plan and versatile kitchen/dining room with bi fold doors opening to the day lounge and further access to the lounge.

Located on the B5373 Mold to Wrexham Road about 1 mile from the village centre, it is a very convenient position for those wishing to commute throughout the region with the A55 interchange at Dobshill some 4 miles distant and the A483 Chester to Shrewsbury road located on the outskirts of Wrexham. The adjoining village, Hope is a popular rural village noted for its highly regarded secondary school together with local shops for daily needs.

Whilst fronting onto the main road, the property benefits from a long field frontage on to Shordley Lane. A new field gate access, subject to consent, would provide an ideal access towards the hamlet of Shordley and thereafter High Kinnerton. It would be more suitable for horse riding and taking full advantage of the many minor country lanes the area has to offer.

The house was completely refurbished in 2014 with major works to include external cladding of the main elevations together with installation of an air source heating system

The formal garden are mainly to the front and one side with wide flagged steps together with a large ornamental pond. There is a large lawn with fruit trees and extends around to the rear with a much larger informal lawned garden which adjoins both the workshops and former stables.

WORKSHOP AND STABLES

A purpose-built workshop providing enclosed and secured store room measuring 19'9 x 18' with electric light and power installed together with a further very useful open storage area, 17' x 12' to one side. There is a further building which provides potential for conversion to provide stabling but needs a programme of maintenance and repair.

THE LAND

The land is divided into two main enclosures located to either side of the homestead. They provide two extensive areas of pasture providing ideal enclosures for those wishing to keep small livestock or horses together with an enclosure providing kitchen garden with a modern aluminium framed greenhouse.
