Property Details

This attractive and well-proportioned Victorian house offers four double bedrooms, two bathrooms, a private rear garden and a useful cellar, combining generous living space with plenty of flexibility for modern family life. Tucked behind a front garden, a gated pathway leads into a welcoming entrance hallway and spacious double reception room. Currently open plan, the two reception rooms retain a degree of separation and could easily be divided again if preferred. The front reception features a charming bay window with three sash windows and a feature fireplace, while the adjoining dining room opens directly onto the garden. To the rear, the kitchen/breakfast room forms the heart of the home, fitted with white gloss, handleless cabinetry, dark worktops and a tiled splashback. Windows and doors create a bright double aspect, with direct access to the paved, low-maintenance garden. The first floor provides three generous double bedrooms and a family bathroom, while the second floor offers a fourth double bedroom and further bathroom with separate shower.
