106A Charlton Road, Keynsham, Bristol, BS31 2HA

This architect-designed, bespoke built eco home offers versatile and spacious accommodation, ideal for both growing families and those seeking to downsize with future proof, potentially step-free living.

Designed with energy efficiency in mind, the home benefits from an air source heat pump, owned solar panels, and a range of sustainable features contributing to its impressive A-rated EPC. Once inside, a welcoming entrance hallway leads to a stylish open-plan lounge/dining room and kitchen area measuring approximately 4.4m (14'5") in length, with direct access to the rear garden. The ground floor also hosts a generous family room with an eye-catching wood burner, offering flexibility to be used as a ground floor bedroom if required, along with a modern WC. To the first floor, there are two spacious bedrooms served by a luxurious four-piece family bathroom.

Externally, the gardens have been landscaped for ease of maintenance. The front is mainly laid to patio with mature wall and shrub borders, while the rear enjoys a secluded feel with an artificial lawn, paved seating area, timber fencing, and a useful external store. To the side, a further patio garden provides additional outdoor space and a log store.

Further benefits include allocated off-street parking for two vehicles and no onward chain.
