This well-proportioned two bedroom second floor apartment is tucked away within a quiet residential nook of Bramley, offering a peaceful setting with no through traffic whilst remaining exceptionally convenient for local amenities and transport links. Ready to move straight into, the property is finished throughout with neutral white walls and wood-effect flooring, creating a fresh blank canvas that a new owner can easily tailor to their own tastes. It would make an ideal choice for first-time buyers, couples and downsizers, while also presenting an excellent opportunity for buy-to-let investors looking to add to an existing portfolio.

The apartment offers generous accommodation throughout, beginning with a welcoming entrance hall with a useful built-in storage cupboard. The main living room is particularly spacious, providing plenty of room for a range of furniture arrangements. Natural light flows through the room, while the elevated position creates a pleasant outlook to the front.

Set separately from the living area is the kitchen, fitted with a good range of wall and base units, tiled splashbacks, an integrated oven, gas hob and stainless steel sink with chrome mixer tap. There is further space for separate white goods, with the boiler also housed within the kitchen.

Both bedrooms are positioned to the rear of the apartment and enjoy a peaceful outlook across the communal gardens. The larger of the two sits to the left, although both rooms offer generous proportions and an almost L-shaped layout which helps maximise the usable space. Each provides plenty of room for bedroom furniture and flexibility for buyers to tailor the rooms to suit their own tastes and needs.

Completing the accommodation is a practical bathroom fitted with a white suite comprising a bath with shower over, pedestal wash basin and WC, together with tiled walls and an extractor fan for a fresh and functional finish.

Externally, the apartment benefits from allocated parking together with communal garden areas surrounding the development.

The location is a particular strength, with ALDI practically on the doorstep alongside a variety of nearby local shops, cafés and everyday amenities. Public transport links provide convenient access towards Leeds and surrounding areas, with Bramley train station also nearby. Green spaces and the Ring Road are within easy reach, making the property equally well placed for local living and wider commuting.

Offering generous living space, two well-sized bedrooms, allocated parking and a quiet yet highly convenient setting, this is a home that can be enjoyed from day one while still offering plenty of scope for a new owner to put their own stamp on it. Equally, for investors, it presents a ready-made opportunity to let out and add to a rental portfolio.
