The Property

Set in The Green, close to the popular village of West Row and Mildenhall beyond, this substantial five double bedroom chalet-style home offers an impressive amount of space, a highly versatile layout and an excellent setting for family life. The real heart of the home is the superb open-plan kitchen, dining and living area, creating a fantastic social space for everyday living and entertaining. The kitchen sits naturally within the room, while patio doors open onto the rear garden, creating a bright and welcoming connection between the inside and outside space.

The ground floor offers three double bedrooms, including a particularly impressive main bedroom with its own dressing room and en suite walk-in shower room. A further separate walk-in shower room serves the ground floor, making the layout ideal for families, guests or those looking for flexible multigenerational living. Upstairs are two further double bedrooms, together with a family bathroom, meaning all five bedrooms offer genuinely useful proportions rather than compromising on space. Outside, there is driveway parking for three vehicles and a substantial double garage, providing excellent parking, storage or workshop. The property also benefits from underfloor heating and an air source heat pump.

A deceptively spacious and incredibly flexible home with five double bedrooms, excellent parking and a brilliant open-plan heart — viewing is highly recommended to appreciate the size and layout on offer.
