The Tour

Entering the property on the ground floor, you are welcomed into a spacious hallway with a useful storage cupboard. The hallway leads through to the impressive open-plan kitchen, living and dining area, creating a bright and versatile space ideal for both everyday living and entertaining. The living area also benefits from a Juliet balcony, allowing plenty of natural light into the space.

The contemporary kitchen is fully fitted with a range of integrated Bosch appliances, including a fridge/freezer, oven, hob, extractor fan and dishwasher, providing everything needed for modern living.

The lower floor comprises two well-proportioned double bedrooms, both featuring fitted carpets. One of the bedrooms benefits from a stylish tiled en-suite bathroom, while a separate utility cupboard houses the washer/dryer for added convenience.

The upper floor offers a further two carpeted double bedrooms, with one benefiting from its own tiled en-suite bathroom. A modern tiled family bathroom and additional storage cupboard complete this floor.

This level also provides direct access into the building, giving residents convenient access to the exceptional range of on-site amenities available at Oxygen Tower, including the concierge service, co-working spaces, private cinema room, gym and swimming pool.

The Area

The area around 50 Store Street, Manchester, is a vibrant and well-connected part of the city. It features modern residential developments like Oxygen Towers, historic sites such as the 18th-century Store Street Aqueduct, and easy access to Manchester Piccadilly Station. The neighborhood offers a mix of dining, including Store Street Exchange, and cultural heritage, once being home to The Warehouse Project music events. It's popular with professionals and students, known for its active, educated community.
