An excellently presented, detached four-bedroom family home comprising approximately 1,340 sq ft, tucked away in a quiet cul-de-sac within a popular residential part of the city.

The property is entered via a central entrance hall, providing a generous and welcoming space with plenty of room for coats and shoes. To the front is a good-sized study, offering a versatile room that could work equally well as a home office, playroom or additional reception space.

To the rear is the standout open-plan kitchen and dining room, finished to a high standard with shaker-style cabinetry, quartz worktops and tiled flooring. The kitchen also benefits from underfloor heating throughout the kitchen and dining areas, together with a hot water tap incorporating a cold water filter. The extended section features a pitched roof with skylight, creating a bright and impressive space ideal for both everyday family life and entertaining. There is also space for freestanding white goods.

The separate living room provides a good sense of division from the main social space while remaining bright and inviting, with a side window and patio doors providing natural light and direct access to the garden. The

ground floor also benefits from useful under-stairs storage, a well-presented cloakroom and a large integral garage, which can be accessed from both the kitchen and the front of the property and provides excellent storage.

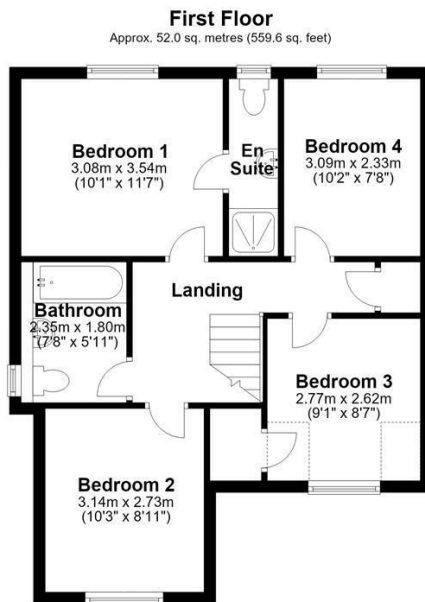

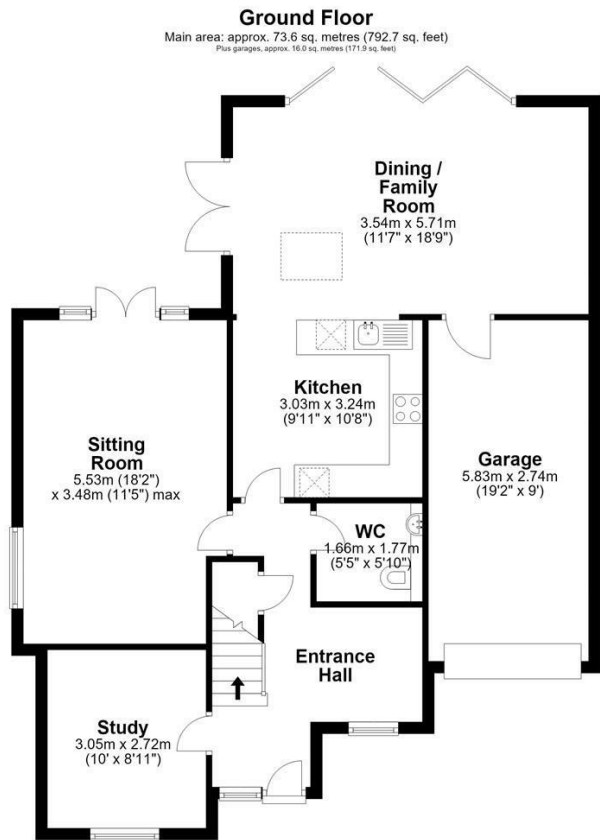

Upstairs are four well-proportioned bedrooms. The principal bedroom benefits from a full en-suite shower room, while one of the additional bedrooms includes a useful storage cupboard over the stairs, currently arranged as a compact study area. All four rooms offer comfortable bedroom accommodation.

The family bathroom is also a good size and benefits from a window, extractor fan and useful built-in shelving for storage. The property also benefits from a boarded loft, providing valuable additional storage space.

Externally, the rear garden has been designed to be both enjoyable and manageable, with a lawn and a good-sized patio area. To the front, there is driveway parking in addition to the garage.
