Boasting an abundance of character, high ceilings, separate kitchen and living spaces, two bedrooms and home working spaces - this is a superb flat in an excellent location.

**Summary**

Approached via Clifton Road, the private front door is the original grand entrance to the Georgian townhouse. Raised slightly from the road, the large panelled door with an ornate fanlight over opens into a beautiful entrance hall with tessellated flooring, which features a large walk-in storage cupboard at the far end.

To the right of the hall is the study/breakfast room on the upper mezzanine level, with the kitchen below. The upper level provides space for a small breakfast table, or a desk as it is currently.

Well-lit by a large sash window, the lower level serves as the kitchen, featuring a range of matching base and wall-mounted units with integrated oven, hob and extractor hood, with space for a free-standing fridge/freezer. Under the stairs is further storage space.

Opening through double doors to the left of the hallway, is a most impressive sitting room with grand proportions; featuring high ceilings, cornicing, a ceiling rose, and two large, sash windows with window seats and working shutters. The southerly aspect ensures plenty of natural light. A large open fireplace with a tessellated hearth sits on the far wall, flanked by fitted shelves in the recesses. Exposed and refurbished floorboards complete the room.

A few steps up from the sitting room, another hallway provides access to the bedrooms, study/walk-in wardrobe and shower room. The principal bedroom is at the far end and features two sash windows and a recess providing space for a wardrobe

Bedroom two also has a window to the side aspect. Opposite is the luxury shower room, which includes a large walk-in shower featuring distinctive tiling, contemporary basin with vanity unit, and WC.

## Location

Perhaps Bristol's best-known area, Clifton exudes a timeless charm with its historic architecture - predominantly Georgian and Victorian buildings - creating a picturesque and inviting setting. The area is renowned for its green spaces, including the scenic Clifton Downs and the iconic Clifton Suspension Bridge.

Clifton has the rare benefit of being central, with easy access to the centre, but due to its location banking the River Avon, also offering a quick route out of the city towards North Somerset.

Whiteladies Road is host to number of well-regarded furniture shops, cafes, restaurants, pubs and bars and this is likewise the case with the Triangle and Park Street – featuring gorgeous Georgian architecture. A stroll through the Clifton Village is a unique and vibrant shopping experience, characterised by a range of independent shops, boutiques, and cafes that showcase the local businesses.
