*We've loved living here, especially when our children were two and four, with trips to the Hawk's gym toddler sessions, coffee and waffles at No. 12, and sweet treats from Bristol Sweet Mart being part of everyday life. The Victorian bones, high ceilings and original features give the house real character, while the recently swept log burner makes it wonderfully cosy in winter. It's perfectly placed- close to town yet with a strong community feel, & easy access to the Bristol to Bath cycle path.*
