Set away from the road, the property enjoys a sense of calm, structure and space rarely found in this popular residential area. A welcoming hallway provides the perfect introduction to the home, with stairs rising to the first floor. To the rear, a bright and inviting living room features a large picture window overlooking the garden and a fireplace with mantelpiece forming a focal point within the room. The kitchen is fitted with modern white units and complementary work surfaces, with an integrated electric oven and hob with cooker hood over, a single sink, and space for a freestanding dishwasher. Connected to the kitchen is a versatile/additional room currently arranged as a study offering excellent flexibility as a snug, playroom or nursery. Access via the kitchen to the additional ground floor accommodation opens up to an impressive dual-aspect family/dining room with great space for entertaining including patio doors directly opening onto the patio/garden. Upstairs, natural light fills the landing space leading to two double bedrooms and a comfortable single bedroom. The modern white family bathroom is fully tiled and fitted with a P-shaped bath/shower, basin with integrated storage, WC, heated towel rail and a mirror.

THE GROUNDS

Approaching the house via the foot path there is lawn to the front and a secure side gate accessing the garden. The garden is mostly lawn with a scattering of trees, mature mix of plant/shrubs and sleepers forming the borders to the pebbled path and patio. Towards the top corner is the summer house/sauna and garden shed whilst in the front corner where the patio drops down there is access to the garden cabin.
