

Watford Way, NW7

Offering generous proportions throughout, this five-bedroom detached house provides over 2,300 sq ft of accommodation, arranged over two spacious levels. Highlights include five double bedrooms, two bathrooms, a separate WC, two formal living rooms, a dining/breakfast room, a full-sized kitchen, utility area, and garage. The property is further enhanced by plentiful outdoor space front and back.

Situated in a prime Mill Hill location, the house is moments from local amenities and has excellent access to transport links. The area is well-served by schools, supermarkets, and open green areas, making it a highly desirable spot for family living.
