A beautifully presented, modern three-bedroom home on Chestnut Park in the North of Yatton. 25 Wheatear Road is three-bedroom end-of-terrace house, tucked away at the end of a quiet cul-de-sac, and was constructed by Bloor Homes in 2016, forming part of phase one of this popular development. The accommodation is light, welcoming and thoughtfully arranged, beginning with an entrance hall leading through to a generous sitting room. This impressive reception space is a particular feature of the property, boasting a rare dual aspect that allows for an abundance of natural light and is a feature found in only a limited number of homes of this design within the development. To the rear, a well-proportioned kitchen/dining room forms the heart of the home, offering ample space for both cooking and dining, with doors opening out to the garden and creating an excellent environment for everyday living and entertaining. A useful utility area adjoins the kitchen, complemented by a convenient ground floor cloakroom. To the first floor, three bedrooms are arranged off a central landing, with the principal bedroom enjoying the benefit of an en-suite shower room. Bedroom two is a further good double room, while bedroom three offers versatility for use as a single bedroom, nursery or home office. A well-appointed family bathroom completes the accommodation.

The rear garden has been thoughtfully arranged to create a stylish, low-maintenance outside space, ideal for modern living. Immediately to the rear of the property there is a decked seating area, perfectly suited to morning coffee or more relaxed seating, which in turn leads onto a neatly defined central section laid to artificial lawn, providing an attractive year-round green outlook. A paved terrace spans the rear boundary, offering an excellent space for outdoor dining and entertaining, whilst gravelled borders provide areas for potted plants to texture and interest. The garden is fully enclosed by timber fencing, and enjoys a bright, open aspect that enhances the sense of space, making this a highly practical yet appealing environment for both everyday use and social occasions. A secure gate provides access to the front where you have off-street parking for two vehicles in front of the garage. A pathway leads to the main entrance, flanked on both sides by areas laid to decorative gravel.

Chestnut Park is a modern and well-regarded development located on the northern fringe of Yatton, offering easy access to the village's wide range of amenities. Yatton itself is a thriving community with shops, cafes, schools and nurseries and falls within the catchment for the highly regarded Backwell School. The village is particularly well connected, with a mainline railway station providing direct services to Bristol, Weston-super-Mare and London Paddington. For those travelling by car, the M5 motorway is easily accessible via Clevedon, making this an ideal location for commuters and families alike.
