An excellent opportunity has arisen to acquire a freehold mixed-use property in the heart of the bustling town of Ulverston. The ground floor comprises a high-visibility retail space with a prominent shop front, ideal for a wide range of retail or service uses. The first and second floors provide versatile accommodation which may offer potential for residential conversion, subject to the necessary planning consents. Situated on a well-established thoroughfare with strong footfall, the property presents an attractive prospect for an owner-occupier or investor alike. In addition, the existing business and stock can be made available via separate negotiation. Early inspection is recommended to appreciate the full scope of its potential.

The ground floor offers a welcoming retail area, including a changing room/store to the rear, providing practical space for display and customer use.
