Offers in excess of £399,950

NEWLY REFURBISHED- READY TO MOVE IN

A spacious, newly refurbished four-bedroom family home in one of Walsall's most convenient locations. Combining period character with a stylish modern finish, this move-in ready property is ideal for families wanting excellent schools, transport links, and the town centre close by.

A private driveway offers ample off-road parking. Traditional stained glass windows feature throughout, including the porch and hallway, adding real character.

The ground floor offers two separate reception rooms — a bright, bay-fronted lounge with a feature fireplace, and a second reception room with French doors onto the garden. The open-plan kitchen diner has sleek shaker-style cabinetry and an integrated double oven.

Upstairs offers four bedrooms (one with fitted wardrobes) and a modern family bathroom with vanity unit, heated towel rail, and bath with shower over. A handy outdoor WC adds practicality, and the garden offers a patio and lawn enclosed by fencing.
