Nestled in the heart of St Mary's Square, this delightful character cottage is believed to date back around 300 years and perfectly blends period charm with modern-day comfort. Recently refurbished throughout to a high standard, the property retains many of its original features while benefiting from stylish contemporary upgrades, creating a home that is both welcoming and practical.

Conveniently positioned just moments from local shops, a popular pub, takeaway, and regular bus services, the property enjoys an enviable location. Brixham's bustling harbour, waterfront, and town centre amenities are approximately a 15-minute stroll away.

The accommodation begins with a spacious entrance porch, providing a useful welcome space before leading through to the impressive lounge/dining room. This generous living area is full of character, featuring dramatic exposed stone walls and a magnificent original stone fireplace that forms a striking focal point. To the rear, the newly fitted kitchen has been thoughtfully designed to offer both style and functionality. Bright and airy throughout, it provides ample cupboard and worktop space and comes complete with a brand-new fridge/freezer, electric oven with inset hob, and slimline dishwasher. The kitchen also houses the new Glowworm gas boiler

The first floor hosts a spacious principal bedroom, flooded with natural light and complemented by a large walk-in wardrobe. Also on this floor is a well-appointed family bathroom fitted with a fresh white suite. On the second floor are two further bedrooms, including a particularly generous double room with built-in wardrobe space and an attractive open outlook. The third bedroom offers excellent versatility and would make an ideal home office, hobby room, or occasional guest room.

Outside, the private rear garden has been designed for ease of maintenance, laid with artificial grass and enjoying a sunny aspect. It provides the perfect space for summer barbecues, outdoor entertaining, or simply relaxing in the sunshine.

Offered for sale with no onward chain, benefiting from gas central heating and notably not being a listed property, this charming cottage presents a rare opportunity to acquire a beautifully updated period home in one of Brixham's most convenient and sought-after locations. Please note that the property does not have allocated parking; however, a variety of parking options are available nearby, which we would be pleased to discuss during your viewing.
