Set on a large elevated plot accessed from a private driveway, this executive home offers fantastic panoramic sea views out over the Moray Firth to the mountains of Sutherland in the distance.

Designed to take full advantage of the views on offer, a range of different internal layouts from three to seven bedrooms allow the home to be fully customised to suit the purchaser's exact requirements.

Featuring a spacious lounge with vaulted ceiling and fully glazed gable, balconies to the master bedroom and dining areas, fully fitted designer kitchen, luxury bathroom sanitaryware, high specification finish of solid oak internal finishings and slate and natural sandstone exteriors, this home will provide the ultimate luxury living to the most discernible of buyers. Underfloor heating to the entrance and lower floor levels, high specification timber frame construction, eco-friendly air source heat pump and triple glazed windows provide high levels of energy efficiency and comfort to an already well insulated home.
