Michaelwood Farm, Lower Wick, Dursley GL11 6DD

A truly unique and rarely available opportunity to acquire this substantial detached farmhouse, set within approximately 3 acres of grounds and complemented by a superb two-bedroom self-contained annexe, extensive outbuildings and a wealth of period charm.

Lovingly owned by the current family since 1998, Michaelwood Farm has been sympathetically renovated and enhanced throughout, successfully blending original character with modern living. The farmhouse retains many of its original features, including exposed brickwork, flagstone flooring and feature fireplaces, whilst offering a beautifully appointed fitted kitchen with integrated appliances, separate utility room, formal dining room and a spacious lounge, creating a wonderful family home.

The first floor offers three well-proportioned bedrooms, with the principal bedroom benefiting from a walk-in wardrobe and en-suite shower room, alongside a family bathroom. A staircase leads to the fourth bedroom, an attractive attic room that offers excellent versatility as an additional bedroom, home office or hobby room.

A particular feature of the property is the extensive range of outbuildings, currently used as workshops and storage, all benefiting from power and lighting, offering fantastic versatility for those working from home, pursuing hobbies or requiring additional storage.

One of the property's greatest attractions is the detached two-bedroom annexe, perfect for multi-generational living, guest accommodation or those seeking an additional income opportunity. Enjoying its own private driveway, garage and gated entrance, the annexe offers excellent independence and comprises a modern fitted kitchen, separate utility room, spacious lounge/dining room, two generous bedrooms and a bathroom.

The grounds extend to approximately 3 acres, with a large lawn providing excellent outdoor space, together with ample parking and a peaceful rural setting.

The current owners have continued to invest in the property, with recent improvements including a resurfaced driveway, new oil tank and refurbished private drainage system, ensuring the property is ready for its next owners.

Properties of this calibre, offering a character farmhouse, self-contained annexe, extensive outbuildings and acreage in such a sought-after Gloucestershire location, are exceptionally rare to the market, making Michaelwood Farm a truly outstanding opportunity.

Anti-Money Laundering (AML) Compliance

Estate agents operating in the UK are legally required to carry out Anti-Money Laundering (AML) checks in line with regulations set by HM Revenue and Customs (HMRC). At Hunters Dursley, we use Moverly to facilitate these checks as part of our commitment to compliance and transparency. It is mandatory for both buyers and sellers to complete AML verification before a property transaction can proceed. A fee will be charged for each individual AML check carried out.
