Description

This established terraced home is conveniently located in Brandon market town, within walking distance of a Tesco supermarket, and also a short distance from Brandon High Street shops and amenities. There are also multiple bus routes which pass the property providing excellent local transport links.

Upon entering the property you will find a lounge to the front of the home, with a feature fireplace, and a separate dining room which provides ample space for a table and family dining area. The dining room includes stairs to the first floor landing, as well as a door leading outside, whilst the downstairs accommodation is concluded by the fully fitted kitchen.

The kitchen is located to the rear of the property, overlooking the garden, and offers a range of wall and base level units, 1.5 bowl stainless steel sink and drainer, integrated cooker with five ring gas hob and extractor hood fitted over, space for freestanding fridge freezer and washing machine as well as a wall mounted boiler which serves the gas fired central heating system.

There is also a useful storage cupboard beneath the stairs, accessed via double doors between the lounge and dining room.

Upstairs, the property benefits from two double bedrooms and includes an en suite W.C in addition to the family bathroom which comprises W.C, wash hand basin and bath with electric shower over, plus an airing cupboard housing the hot water cylinder.

Stairs lead from the first floor landing into the boarded and insulated loft space which provides a useful storage area and includes cupboard storage space within the roof eaves, as well as a Velux skylight window.

Outside, the property includes a small front garden which is

enclosed by a low level picket fence, whilst a fantastic feature of this home is the exceptionally large rear garden. The garden is a long and narrow configuration and includes a modern patio, ideal for seating/ entertaining, as well as a variety of mature trees, shrubs and plants.

There is also a workshop/ garage at the furthest end of the garden, which does require some finishing work, and includes front and also double back entrance doors which would allow for vehicular access in front of an additional off street parking space.
