A beautifully, fully refurbished two-bedroom ground floor apartment in a highly sought-after Salford location. Offering a wonderful combination of space, natural light and a convenient location, this recently refurbished two-bedroom ground floor apartment at Flynn Court is a lovely place to call home.
The property has recently undergone a significant programme of refurbishment to a high specification, creating a fresh, modern and welcoming home with a practical layout. The apartment also benefits from brand new double-glazed windows and new energy-efficient panel heaters, helping to create a comfortable and more efficient home.

The spacious living room is a real highlight, with windows to three aspects, allowing light to fill the room while providing a pleasant outlook over the well-maintained communal lawned gardens. There is plenty of space for both comfortable seating and dining.

The apartment offers a good-sized double bedroom together with a versatile second bedroom. The latter would work equally well as a single bedroom, home office, study, nursery or cot room, depending on your requirements.
The recently updated sleek kitchen provides a smart and practical space, while the bathroom has been finished as a contemporary walk-in wet room.

The location is a particular highlight, with the property ideally situated close to Salford Royal Hospital, making it an excellent choice for NHS staff and other healthcare professionals looking for convenient access to work.
