Located in the prestigious Homestead Gardens, Frenchay, we are delighted to bring to the market this three double bedroom executive family home. This fabulous residence has served the family for over two decades and has been modernised in more recent years to include reroofing, electrical upgrades, solar panels and a new kitchen.

As you enter the property, you will be immediately impressed with the entrance hall boasting Teak floors and Oak veneer doors that give access to all rooms. There is a handy boot cupboard plus generous understairs storage.

Double doors lead to the striking lounge with a traditional bay window to the front elevation. Completed with engineered Oak floors and a stone fireplace housing a multi fuel burner, with slate hearth and surround, this is the perfect space to relax and unwind.

Beyond is the kitchen that has been extended and opened into the dining room, creating an open plan environment that so many families desire. The kitchen boasts a range of wall and base units finished with sleek handleless doors, Quartz work tops and upstands.

Integrated appliances include two Neff slide and hide ovens, five ring induction hob, extractor hood, Intersinker hot water tap and wine fridge. French doors, a single glass door, plus windows look out to the rear gardens.

There is a study/family snug located to the rear of the property with French doors leading to a small conservatory with doors leading to the garden.

The impressive first floors offer a spacious landing with doors to all first floor rooms. All three bedrooms are of generous double size and benefit a dual aspect and fitted wardrobes or cupboards. The principal room features a fully tiled three piece ensuite shower room, whilst the family bathroom offers a luxury four piece suite.

The property sits within a generous plot allowing gardens to the front, side and rear. The fully enclosed rear garden is bounded by timber fencing and a natural stone wall offering privacy and seclusion.
