A renovated, spacious and extremely light ground floor one bedroom flat with parking in close proximity to the town centre and railway station.

A communal front door leads in to the main entrance hall of the building with a door leading to the front door of the flat. Stepping in to the flat you can immediately see its excellent condition as a programme of improvements have been undertaken in recent years. The hall has a modern electric heater, a built-in cupboard with slatted shelving and an electric water heater and stylish internal doors leading off to all rooms.

The lounge is an elegant room with high ceilings, ornate cornicing and a double glazed tilt and turn bay window with views over the town and beyond. There is plenty of space for a dining table and chairs and there is a recently installed remote controlled feature electric log fire with limestone surround and hearth and a modern electric heater.

The kitchen has been totally modernised with white quartz worktops and splashbacks, stylish wall and base mounted units, AEG induction hob, NEFF eye level double oven and microwave, integral fridge/freezer and washing machine, single bowl acrylic sink with Quooker tap and a double glazed window to the side aspect. The large double bedroom has a double glazed window to the front aspect and a modern electric heater.

The modern shower room comprises a fully tiled corner shower cubicle with a sliding screen surround, wall mounted wash hand basin with inset vanity cupboards under, a close coupled WC, heated towel rail and an obscured glazed double glazed tilt and turn window to the side aspect.

There is uPVC double glazing and recently installed programmable electric heaters. Underfloor insulation has been fitted between the joists of the living room and kitchen and all carpets were replaced in 2024. As this has currently been a holiday home (for the owners own use), there has been little wear since its refurbishment and there will be no onward chain.

A gate at the side of the property leads to the communal patio garden, bin storage area and steps down to Higher Brimley Road. An allocated parking space is situated directly in front of the property.
