Harvest Hill is a new development located about a mile and a half to the south of Maidenhead's town centre and railway station, which makes it ideal for those who work in town, or who need to commute into London via Great Western Railways, or Elizabeth Line. The town centre offers a wealth of retail, leisure, hospitality and entertainment venues, and there is a wide range of other recreational clubs and societies, some of which can be found at Braywick Leisure Centre, and Sports & Recreation Grounds which are within walking distance of the property.

For those that are unfamiliar, Shared Ownership provides an affordable alternative to renting and allows buyers to enter the housing market with a home that suits their needs. Buyers can purchase varying levels of shared ownership from 10% upwards, and pay an affordable monthly rent of 2.75% on the unowned share. These shared ownership homes come with a long Lease and over time a buyer can increase the percentage share owned to the full 100% ownership.
