- Modern Shower Room
- Lapsed PP for Extension & Alteration
- Block Paved Driveway & Rear Garden
- Immaculate Condition Throughout
- Three Bedrooms
- Lounge & Separate Kitchen
- Detached Single Garage
- Highly Regarded Berry Hill Location

A three bedroom detached bungalow with lapsed planning permission for extension and alteration to create a four bedroom detached chalet bungalow with large tandem length garage.

The property has been occupied by our clients for more than a decade during which time they have overseen a comprehensive program of refurbishment and improvement to the property creating a first class single storey home of high calibre.

The property has gas central heating, UPVC soffits and fascias, modern UPVC double glazed windows and an attractive light oak style double entrance door. The loft has been boarded, insulated and shelved providing excellent storage space. The conservatory roof has been replaced with an insulated solid roof. There is a modern kitchen and shower room. The property is tastefully decorated throughout and includes modern and neutral flooring with laminate flooring and carpets.

The accommodation comprises an L-shaped entrance hall, lounge, separate kitchen, conservatory, three bedrooms and a shower room.

Planning permission was granted by Mansfield District Council on 24th August 2017 for removal of the existing roof and replace with attic truss roof to create a good sized first floor living space, a rear ground floor extension and extension to the existing garage. The planning permission has now lapsed however could be reinstated subject to planning. Detailed plans are attached to these particulars and can be found on Mansfield District Council planning website under reference number 2017/0469/HHA.

The proposed plans provide for a four bedroom, two reception room, two bath/shower room chalet bungalow with the following layout; L-shaped entrance hall, bathroom, bedroom two, dining room/bedroom three, lounge, separate kitchen and a family room with French doors leading out onto the rear garden and a staircase leading to the first floor landing. The first floor plans provide for a landing area, master bedroom with en suite shower room, bedroom four and a separate toilet. Externally, the plans provide for a large tandem length garage adjoining the property.

OUTSIDE

Externally, there is a large block paved driveway providing ample off road parking which extends to the side of the property leading to a detached single garage. There is a low

maintenance slate chippings garden area and a raised flowerbed to the front garden. A side gate and path leads to the rear garden. To the rear of the property, there is a paved patio and pathway running around the conservatory. There are low retaining sleepers boundary with gravel border with steps leading up to a central lawn. There are ample borders with plants and shrubs and two further seating areas, a raised decked patio and second paved patio behind the garage.
