- 5 bedroom detached
- Good size plot with double garage
- Study and a garden studio

A 5-bedroom detached house of about 1800 sq. ft, with extensive, well-planned family accommodation, a double garage, a large garden in a particularly quiet position, just 10 minutes from Cambridge,

This deceptively spacious house has been well designed and thoughtfully laid out to create a bright, open feel and offer large families a versatile living space.

This non-estate, individual house has a large living room with a dual aspect, including doors to the garden, and a fireplace with a wood burner. Double doors lead to the dining room, which also opens to a large kitchen, which has a range of good quality units and extensive quartz worktops, integrated appliances and a tiled floor. There is a useful utility room with fitted units and a door to the garden. A study, cloakroom, WC and a large reception hall complete the ground floor.

Upstairs, there is a galleried

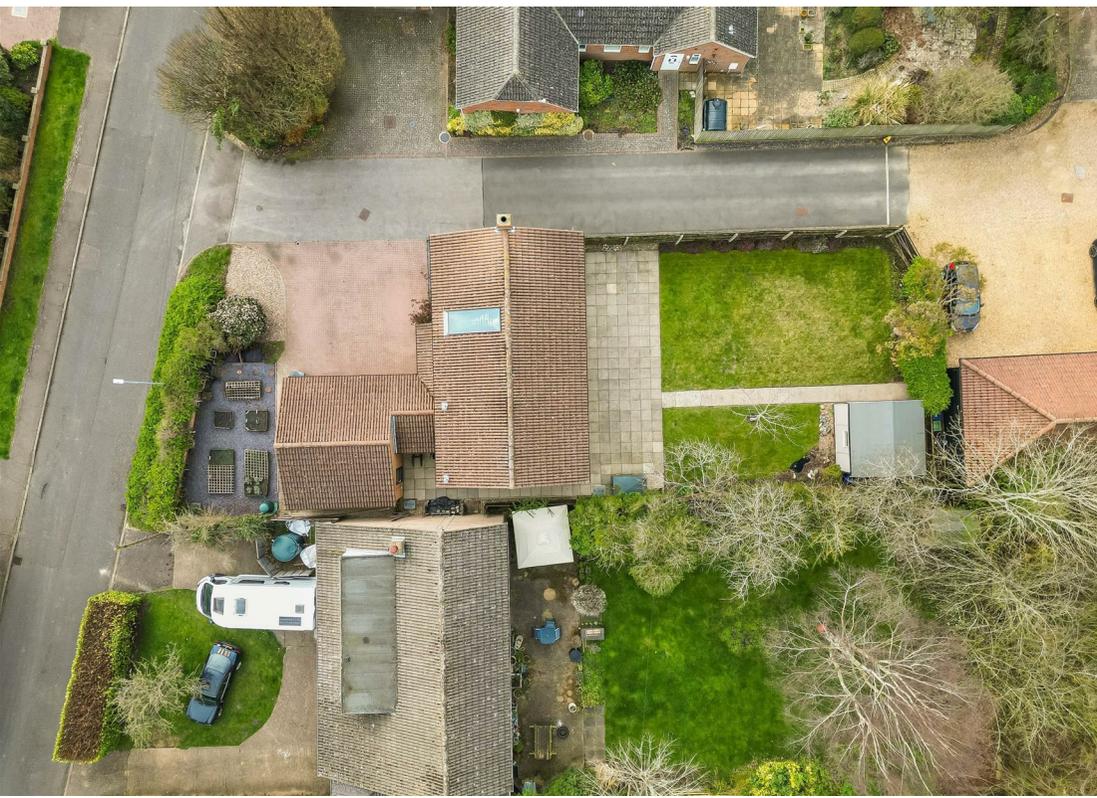

landing off which are five bedrooms, all of which are a good size, and the main room has a re-fitted ensuite shower room and WC. The family bathroom has also been refitted and includes a shower over the bath and a WC.

The house has oil-fired central heating, double glazing, and a solar system providing hot water.

The house has plenty of parking at the front as well as a double garage with storage space above. The remainder of the front garden is low-maintenance and has raised beds. Side access leads to the rear garden, which is mainly lawned, and there is a patio adjoining the house. The garden is enclosed by fencing and has a good size, insulated studio, perfect as a work-from-home space, a teenager's den or a workshop
