Lounge/Kitchen:

The open-plan living space benefits from a spacious balcony overlooking the Castlefield Basin. Elegant herringbone flooring enhances the current furnishings, creating a warm and inviting atmosphere. Floor-to-ceiling windows and patio doors flood the apartment with natural light while showcasing the exceptional views.

The kitchen is finished to an exceptional standard, featuring bespoke white quartz waterfall worktops and splashback, alongside sleek handleless cabinetry that complements the apartment's clean, contemporary design. Integrated Neff appliances include a ceramic hob, self-cleaning electric oven, built-in microwave, fridge freezer, dishwasher, and wine cooler. Additional highlights include feature lighting behind the high-level cabinets and a recessed stainless-steel sink with a modern mixer tap.

High-quality electric blinds are fitted throughout the apartment. Dark grey blinds are installed in both bedrooms, while the lounge/kitchen features premium sunscreen blinds made from woven mesh fabric, providing excellent daytime privacy while still allowing natural light and clear outward views.

Bedrooms:

Both bedrooms are generously proportioned and carpeted, each with fitted wardrobes. Floor-to-ceiling windows allow for excellent natural light, while electric white wall heaters, TV points, and a calm, modern finish complete the spaces.

Bathroom & Ensuite:

The bathroom and ensuite have been thoughtfully designed to reflect the apartment's refined aesthetic. Contemporary sanitary ware from Italian designer Sottini is complemented by Hansgrohe taps. Marble-effect Vitra Marmorati tiles to the walls and floors enhance the sense of luxury, alongside a Hansgrohe Crometta rain shower and a bespoke vanity unit with mirror and shaving point, creating a stylish and tranquil environment.
