THE PROPERTY

Metfield is a detached brick built bungalow that sits centrally in a good sized plot and was built in the 1960s. The bungalow has undergone a programme of updating and renovation in recent years to include a new kitchen and bathroom, replacement carpets or new ceramic tiled floors. A modern high-tech heating system has also been installed. The internal accommodation is sensibly laid out with a good sized sitting room with a wood burning stove and an opening to the dining room off which is a garden room. The kitchen is at the rear of the bungalow and overlooks the back garden and has a good range of wall mounted and floor standing units, Beko electric oven and propane gas hob. The utility room is plumbed for a washing machine. There are three double bedrooms and a fully tiled contemporary bathroom.

OUTSIDE

The bungalow is approached over a tarmac drive with a car port and detached garage to one side. The front garden is laid to lawn, enclosed in part by hedgerow and planted with a variety of trees. Gates to either side of the bungalow open to the back garden. This has been delightfully landscaped but is in need of some general management with a variety of trees, plants, shrubs and an apple tree. To one side steps rise to an area that is ideal for vegetable growing. Gravelled and paved paths meander through part of the garden bordered by mature shrub beds and opens to an area where there is a greenhouse and gravelled seating area. There is also a lawn, access to the garage and summerhouse with paved patio in front.
