A dedicated dining area provides plenty of room for family gatherings, while the living area includes a MEDIA WALL and built-in storage. An adjoining utility/laundry room adds further practicality.

Upstairs, there are four bedrooms, including a beautifully presented principal bedroom with an EN-SUITE SHOWER ROOM and Juliet balcony. A family bathroom serves the remaining bedrooms.

The east-facing rear garden features a sunny decked patio and grass lawn, providing space for outdoor dining, relaxation and children's play. A NEW GARDEN CABIN incorporates a sauna/gym and storage, with potential for use as a home office.

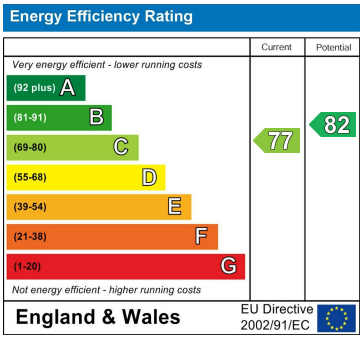

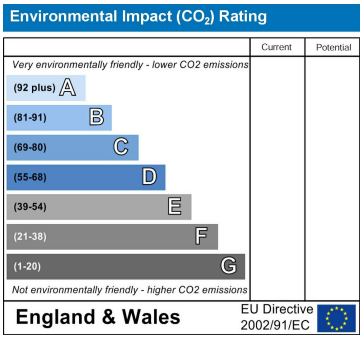

To the front, a newly laid Indian stone driveway provides parking for approximately three to four vehicles, together with an EV CHARGING POINT. Further improvements include a NEW GROUND SOURCE HEAT PUMP, SOLAR PANELS WITH BATTERY STORAGE and new radiators.

A superb opportunity to purchase a thoughtfully improved family home close to excellent schools, village amenities and Freshfield's much-loved coastline.
