THE EXTERIOR

FRONT

Shingle off-road parking space with further brick-paved driveway providing parking for up to three cars in total. From the driveway, a gate gives access to the side of the lawned garden, which offers the potential for additional off-road parking if required. From the driveway, steps lead down to a front paved courtyard with outside cold water tap. From the courtyard, a pedestrian gate provides side access to both the side garden and rear courtyard.

REAR COURTYARD

Enclosed by fencing and facing directly south, a raised decked seating area provides the ideal space for enjoying a coffee or al fresco dining, whilst providing an excellent degree of privacy. Steps from the decked terrace lead down to a shingle area of garden with space for a rotary dryer.

SIDE GARDEN

A wonderful feature of the house and much larger than average for this development. The side garden provides an expanse of lawn, again directly benefiting from the sunny south-facing aspect; the lawn is bordered by a low wall, fencing and hedging with a wide opening gate to the driveway. Three fruit trees are planted within the lawn and there is a large 10' x 6' (3.05m x 1.83m) timber shed providing useful garden storage. The side garden could provide even more off-road parking if required.
