DESCRIPTION

Manzilna is a very well-appointed, two-bedroom detached bungalow presented in excellent decorative order throughout. The property benefits from oil-fired central heating and uPVC double-glazed windows and doors. The bungalow is light and airy and offers well-balanced accommodation, including two reception rooms, a well-fitted kitchen and a large conservatory to the rear. The conservatory overlooks the attractive and private courtyard garden, which features a selection of garden sheds and a summerhouse, creating an ideal space for relaxation and entertaining. There are two generous double bedrooms, a modern shower room, and the additional benefit of a fully carpeted attic room with two windows, suitable for a variety of uses. Outside, the property enjoys a long driveway providing parking for approximately five to six vehicles, together with access to a detached single garage.

ACCOMMODATION

A uPVC entrance door opens into the entrance hall, with doors leading to the sitting room and bedrooms, as well as an inner hallway providing access to three useful storage cupboards and hatch access to the roof void. The loft is fitted with an aluminium ladder and leads to a particularly useful attic room with windows on two aspects, and which benefits from power and lighting. The sitting room enjoys dual-aspect views and features an ornamental fireplace, coved ceiling and an archway leading through to the dining room. The dining room has a side-facing window and patio doors opening onto the rear. A glazed door leads into the well-fitted kitchen, which comprises a stainless steel sink with mixer tap, adjoining worktops, and a range of floor and wall-mounted cupboards and drawers. There is an integrated electric hob with extractor hood over, electric oven and grill, together with a tiled floor. A door returns to the hallway, while an obscure glazed door leads into the conservatory. The conservatory runs the full width of the bungalow and features a tiled floor, windows overlooking the rear courtyard garden, and a door to the side. The Grant oil-fired boiler is also located here.

Bedroom one enjoys a front aspect and is fitted with built-in wardrobes. The shower room comprises a shower cubicle, low-level WC and pedestal wash hand basin, with tiled walls and flooring. Bedroom two overlooks the conservatory and also benefits from fitted wardrobes

OUTSIDE

The property is approached via a concreted driveway providing parking for several vehicles, complemented by a low-maintenance gravelled front garden enclosed by a low wrought-iron fence and planted with a variety of shrubs and trees.

To the side of the bungalow, a pair of double wooden gates opens onto a further driveway offering parking for two to three vehicles and access to the garage. The garage is fitted with a metal up-and-over door and benefits from power and lighting, along with a useful utility area incorporating a worktop, space and plumbing for both a washing machine and tumble dryer, and a built-in fridge. A side door provides convenient external access.

From the driveway, a gateway leads into a large paved sun terrace featuring attractive raised beds, a gravelled seating area and two useful garden sheds. There is also a summerhouse/log cabin connected to power, together with a practical lean-to garden store. The oil tank is discreetly positioned to the side of the property.
