## THE DWELLING

Hawkcombe Cottage is believed to have origins dating back to the late 1700s and is built of local Shaftesbury stone elevations under a pitched tiled roof. The current owners significantly extended the house in 2006/7 and it now offers spacious well laid out accommodation perfectly combining old and contemporary. The original reception rooms have wood burning stoves in stone fireplaces, the triple aspect kitchen/dining room is an excellent family space and there is a superb garden room with vaulted ceiling. On the first floor are three generous double bedrooms, a family bathroom and an ensuite to the master bedroom. Hawkcombe is found on a quiet lane between Twyford and Compton Abbas and is on the edge of the Cranborne Chase National Landscape which is a Dark Skies area with low light pollution.

## OUTSIDE

The property is approached via double wooden gates on to a drive with parking for a number of cars. There is an annexe / holiday let converted in 2017 - 2/2017/1292 FUL - with one bedroom, kitchen, sitting room and shower room. A fantastic artist's studio was built in 2019 - 2/2019/1193 FUL, which also has solar panels generating electricity for the house. To the rear of the house is the main garden which has a variety of lovely flowering plants and shrubs with a gate leading to the wild meadow and fields and a delightful walk goes around the perimeter taking in the stunning views of the surrounding countryside. The whole property extends to about 5.35 acres and the land is about 4.5 acres and wraps around the cottage and buildings. The land has been planted and designed to take full advantage of the topography with seated areas and a studio whilst other areas have been planted with wild flowers to encourage a natural habitat for many species.
