12 Woodlands Edge, Lincoln LN1 2ZF

An exceptional and award-winning A-rated eco home, beautifully positioned within approximately 12 acres of landscaped communal parkland, just five miles north of the historic Cathedral City of Lincoln. Situated within the exclusive private gated development of Woodlands Edge, this outstanding property was built by Gusto Homes and forms part of the acclaimed development that won the 2015 Lincolnshire Energy Award.

Designed with sustainability, efficiency, and contemporary living in mind, the property combines cutting-edge eco technology with stylish modern design. Features include PV solar panels, infrared heating, a full heat recovery ventilation system, and superior insulation, all contributing to remarkably low energy costs and an impressive A-rated energy performance certificate. The result is a home that offers both environmental responsibility and exceptional comfort within a tranquil woodland setting.

The spacious and light-filled accommodation centres around an impressive open-plan living space which flows seamlessly into a stunning garden room complete with a wood-burning stove and full-width sliding doors opening onto a beautifully landscaped, south-facing private garden enjoying outstanding woodland views.
