Bryan Bishop and Partners are delighted to bring to market this stunning example of a completely modernised three-bedroom family home in the highly coveted Welwyn Hall Gardens.

The property is approached by an attractive frontage with a driveway for off-street parking. Upon entering, you are welcomed into a generously spacious and airy entrance hall with downstairs W/C to the left. The ground floor has a clever flow to it that lends itself well to entertaining or simply spending time with the family, given that the open-plan kitchen and dining room, at the rear of the property, are linked to the living room via a set of double doors. The living room also has a feature electric fire built into the wall, as well as, a fantastic dual-aspect, allowing for an abundance of natural light to beam into the property.

The first floor comprises three bedrooms and a well appointed family bathroom accessed via the spacious landing. Two of the three bedrooms are generously proportioned double bedrooms, with the third being a single room. The master bedroom is complete with its own en-suite and built in floor-to-ceiling wardrobes.

The garden at the rear is accessed through the kitchen/diner and has been turfed with artificial grass and enjoys sun virtually all day long.

Situated on the edge of Welwyn village, it is just a 5 minute walk to the High Street, which offers an excellent range of amenities, including doctors and dentist surgeries, Tesco Express and various restaurants.
