Set on the ever-popular Cranshaw Avenue, this two-bedroom dormer bungalow offers generous, versatile accommodation perfectly suited to first-time buyers, downsizers, or anyone seeking a well-maintained home in a peaceful yet well-connected location. The property was originally a three bedroom but the previous owners had altered it to their needs, knocking down a wall to create a larger open plan living room through dining room. This can easily be put back with a simple stud wall.

The property welcomes you with a bright and inviting hallway leading to two spacious reception rooms. These versatile areas provide the ideal balance of comfort and functionality — whether you prefer a dedicated dining room, an additional sitting room, or a home office, the layout adapts easily to your lifestyle. The well-appointed fitted kitchen offers ample storage and workspace, while the ground-floor family bathroom completes the accommodation on this level.

To the first floor, the dormer design creates two generous bedrooms, each enjoying excellent natural light and useful built-in storage.

Externally, the property continues to impress. The front garden adds attractive kerb appeal, while the rear garden provides a private outdoor space ideal for relaxing or entertaining. A driveway offers convenient off-road parking.

Positioned within a sought-after residential area, this home is ideally placed for nearby shops, reputable schools, and excellent transport links — including easy access to St Helens town centre and major motorway routes.

Combining a quiet setting with superb local amenities, this charming dormer bungalow represents an outstanding opportunity for buyers seeking a move-in-ready property in a desirable location.
