Description

This thoughtfully extended detached home delivers far more than first impressions suggest, offering bright, flowing accommodation that's perfectly suited to modern family life.

The front door opens into a welcoming entrance hall with space for coats and everyday storage, leading through to a comfortable living room centred around a decorative fireplace, an ideal cosy retreat away from the hub of the house. To the rear sits the true heart of the home: an impressive open-plan kitchen, dining and family space designed for both entertaining and day-to-day living. The family area features a character fireplace along with useful understairs storage and a cupboard housing the boiler, before opening seamlessly into a spacious kitchen/dining room with doors out to the garden, allowing light to pour in. The kitchen itself is well equipped with a comprehensive range of units, induction hob, double oven and grill, plumbing for a dishwasher and space for an American-style fridge freezer. A separate utility room keeps laundry tucked away, with additional appliance space, external access and direct entry to a convenient downstairs shower room, perfect for busy households or muddy boots after the garden.

Upstairs, a spacious landing with loft access leads to three well-proportioned bedrooms. The principal bedroom benefits from its own cloakroom and dressing area, creating a private and practical suite. Two further bedrooms are served by a modern family bathroom, making this layout ideal for families.

To the front, a generous driveway provides parking for several vehicles, with gated side access leading through to the rear. The south-facing garden is a real highlight, stretching to approximately 100ft and offering excellent privacy and sunshine throughout the day. Immediately adjoining the house is a substantial patio, perfect for summer dining and entertaining, with the remainder laid mainly to lawn and framed by flower beds. At the far end, a raised decking area hosts a sizeable home office measuring around 15'10 x 12'6, creating an ideal space for remote working, hobbies or a gym away from the main house.
