An Exceptional Grade II Listed Former Tannery in a Prime Mews Setting

A genuinely one-off upside-down home tucked away in a peaceful mews just moments from the high street. This Grade II listed former tannery blends rich period character with stylish modern living, offering a layout and atmosphere you simply won't find anywhere else.

On the top floor, the property opens into a spectacular vaulted, open-plan kitchen/dining/living space, a real showstopper, flooded with light and perfect for entertaining. Exposed timber beams and the original architectural louvres all nod to the building's heritage, giving the space a warm, authentic feel.

The first floor hosts three well-proportioned bedrooms, including a superb principal suite with walk-in wardrobe and en-suite. A further luxury family bathroom completes this level.

At ground level you'll find a practical utility room, cloakroom/WC and inner lobby, all finished with a clean, contemporary touch.

Outside, a sun-trap enclosed patio garden offers a private spot to unwind, while two integral garages provide excellent storage and secure off-street parking, rare for such a central location.

A unique home with charm, volume and versatility in equal measure, offering historic character and modern convenience right in the heart of town.
