Offered chain free, the property features a front garden which, subject to the usual consents, offers excellent potential to be converted into off street parking, as many neighbouring properties have already done. The internal accommodation includes a living space, a fitted kitchen with a separate utility room and two well proportioned bedrooms. To the rear, the property boasts a large garden, ideal for families and entertaining, complete with a brick-built garden store/shed. The loft has been partially converted to create an additional loft room, already benefiting from a fixed staircase and power, although further finishing is required.
