THREE BEDROOM TOWNHOUSE | OFF-ROAD PARKING | DECEPTIVELY SPACIOUS ACCOMMODATION | LARGE LANDING IDEAL FOR HOME WORKING | CHAIN FREE | FANTASTIC POTENTIAL | POPULAR MAY BANK LOCATION

Situated in the ever-popular May Bank area, this deceptively spacious three-bedroom townhouse offers far more accommodation than first meets the eye. Requiring some modernisation throughout, the property presents an excellent opportunity for buyers looking to create a lovely home tailored to their own tastes.

The accommodation comprises an entrance hall, bay-fronted living room and a spacious kitchen/breakfast room with a useful understairs pantry/storage cupboard benefiting from power and lighting. A door from the kitchen leads out to the rear garden.

Externally, the property benefits from off-road parking to the front and a low-maintenance rear garden of a good size. A side access gate provides convenient access from the front of the property to the rear garden, while a useful brick-built coal house/storage room offers additional practical space.

To the first floor is a surprisingly spacious landing area which, as shown on the floorplan, could comfortably incorporate a study or home working area. There are three bedrooms comprising two doubles and a generous single bedroom which can accommodate both a bed and storage furniture. Completing the accommodation is a well-proportioned family bathroom.

Viewing is highly recommended to appreciate the size, versatility and potential this spacious home has to offer.
