Apartment 126 Norfolk Street

£270,000

Luxury Off Plan 2 Bedroom Apartment | Liverpool L1 | Short Term Lets Permitted | Premium Specification | Completion 2028 | Exceptional Investment Opportunity

An exceptional opportunity to secure a beautifully designed two bedroom apartment within one of Liverpool's most exciting new residential developments.

Located on Norfolk Street in the heart of Liverpool L1, these contemporary apartments have been created for modern city living, combining premium design, generous living space and strong long term investment fundamentals.

From the moment you enter the apartment, the attention to detail is evident. The spacious open plan kitchen, dining and living area has been designed to maximise natural light while creating an elegant entertaining space. Contemporary matt charcoal kitchen units, integrated appliances, feature lighting and sleek worktops deliver a sophisticated interior that perfectly complements the building's modern architecture.

Large windows provide an abundance of natural light throughout, while carefully selected finishes create a calm, luxurious atmosphere inspired by boutique hotels.

The principal bedroom offers generous proportions with fitted wardrobes and stylish contemporary finishes, while the second bedroom provides excellent flexibility as a guest bedroom, home office or additional rental accommodation. The beautifully finished bathroom features designer black fixtures, oversized porcelain effect tiling, premium fixtures and fittings, vanity storage and rainfall shower fittings, providing a luxurious finish throughout.

Every apartment has been designed to appeal to professionals seeking quality city centre living whilst also meeting the expectations of today's investment market.

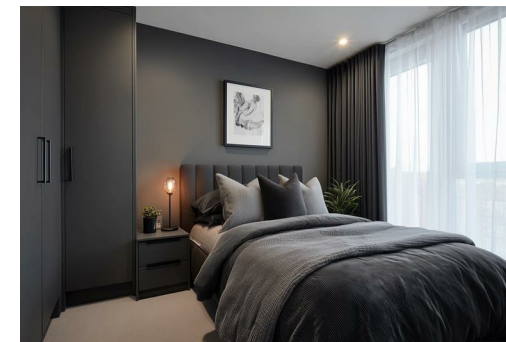

Liverpool continues to establish itself as one of the UK's strongest regional investment destinations, supported by significant public and private sector investment.

More than £14 billion of regeneration projects continue to reshape the city, alongside the landmark £5.5 billion waterfront regeneration programme and £710 million investment into transport infrastructure, strengthening connectivity and supporting long term economic growth.
