DESCRIPTION

This individual countryside home has been in our client's family's ownership for 25 years and is now offered to the market with no onward chain. Offering extremely flexible accommodation with up to five bedrooms, three bath/shower rooms and two reception, the house is now in need of refurbishment and modernisation. The property's plot amounts to just over an acre, comprising wrap-around gardens and an adjoining paddock with timber stabling, and there is driveway parking and an attached garage. There appears to be significant potential to improve and/or remodel the house itself, subject to any necessary consents or approvals, in order to create a unique home of an incoming buyer's choosing.

ACCOMMODATION

The property is accessed into a small entrance hall, with the ground floor accommodation then comprising: a dual-aspect sitting room centered around a granite open fireplace; two adjacent bedrooms; an inner hallway containing patio doors to the garden; the kitchen; a further reception/bedroom; a double bedroom, and; a wet room. The kitchen is equipped with various cupboards and cabinets, with spaces for plumbed appliances and an electric freestanding cooker, whilst to one side is a pantry/utility which also provides rear access. Also off the inner hallway is an airing cupboard, a deep walk-in linen cupboard and stairs turning and rising to the first floor with storage underneath. On the first floor are two further double bedrooms, including a triple aspect master room with an en-suite shower room and deep fitted wardrobe space, and a further standalone bathroom. The property is oriented so that many of the rooms enjoy an attractive outlook over the garden or paddock.

OUTSIDE

A gated driveway provides ample parking for several vehicles in addition to the attached single garage. The property's gardens wrap around the house and are comprised primarily of lawn with deep, mature hedge and shrub borders. To one side is a former kitchen garden which still houses several fruit trees including, apple, plum and pear. Accompanying the gardens is an enclosed paddock of just over half an acre, served by a timber-built stable building in need of repair or replacement. There is separate gated access out from the paddock, with direct outriding available nearby at Plaster Down, leading out to the full expanse of Dartmoor National Park.
