The Property

As one meanders down the private winding path from the drive, it opens up into a large private courtyard, and the size of the house is fully appreciated. On entering the property there is a dual aspect kitchen/ breakfast room with modern kitchen units and door to the private rear courtyard. From here you enter a large dual aspect living room with inglenook granite fireplace and inset woodburner. Beyond this is an inner hall/WC and a substantial light filled dining room. On the first floor are two bathrooms and four generously proportioned bedrooms, two with vaulted ceilings and large window, overlooking the front gardens and beyond to the open countryside.

Outside

The cottage is accessed via a shared drive which in turn leads to a private driveway providing access to the garage/workshop and parking for a further two cars. A pretty path leads through the gardens to the property and a large private courtyard adjacent to the house. Set above the courtyard is a good sized garden with a summerhouse, greenhouse and shed, offering great potential to once again become a lovely oasis.
